WE JOIN OUR ALKANE HERO, SURROUNDED BY OXYGEN MOLECULES...

BOOM!

FINALLY, WHEN HE REACHED THE ICE CREAM STORE, IT TASTED KIND OF FUNNY. SUDDENLY, HE FELT AH HOT FEELING INSIDE AND BEFORE HE KNEW IT COMBUSTED! WHEN HE LOOKED IN THE MIRROR DURING THIS EVERYTHING WAS ALL OVER THE PLACE!

FINALLY, HE LOOKED AT HIMSELF WHEN HE WAS ALL CALM. HE WAS MADE INTO 3 CARBON DIOXIDES AND 4 H₂O'S. HE REALIZED EVEN THOUGH HE LOOKED DIFFERENT HE STILL HAD THE SAME AMOUNT OF OXYGEN, CARBONS, AND HYDROGENS HE STARTED OUT WITH.

ONE DAY, PROPANE WAS WALKING DOWN THE STREET HOPING TO FIND SOME ICE CREAM. HE HAD A REALLY ROUGH DAY AND NEEDED A GOOD PICK ME UP TREAT.
